Texas Fire Department Identification (FDID) Number Request Application

Important notes

- FDID numbers are required to submit information to the National Fire Incident Reporting System ([NFIRS](#)) database.
 - If you have questions about FDID numbers, please email TEXFIRS@tdi.texas.gov.
 - FDID numbers consist of two letters and three numbers.
 - The first number is assigned under the county using the general population protected by the fire department.
 - The last two numbers are the next sequential numbers available for that county.
- You will receive an email response regarding your FDID number assignment.

Instructions

All requested information must be filled out and the form must be signed by the Fire Department Chief.

1. Fire department information
