Description:

- This filing:
 - Replaces the countrywide table of classifications by hazard group with a Texas-specific table in NCCI's *Basic Manual for Workers Compensation and Employers Liability Insurance for Texas (Basic Manual)*.
 - Makes nonsubstantive changes to various rules and classifications in the *Basic Manual*
 - Makes clarifying edits to Texas form DNE-1A-Deductible Notice of Election in NCCI's *Forms Manual of Workers Compensation and Employer Liability Insurance*
- In other states, NCCI is also updating the *Residual Market Manual*. Texas does not have a *Residual Market Manual*, so this change does not apply.
