**Date: 8/19/2021**

**Subject Considered:**

XL Specialty Insurance Company  
70 Seaview Avenue  
Seaview House  
Stamford, Connecticut 06902-6066

Consent Order  
DWC Enforcement File No. 22509

**General remarks and official action taken:**

This is a consent order with XL Specialty Insurance Company (XL Specialty Insurance). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against XL Specialty Insurance.

**Waiver**

XL Specialty Insurance acknowledges that the Texas Labor Code and other applicable laws provide certain rights. XL Specialty Insurance waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

**Findings of Fact**

1. XL Specialty Insurance holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to TEX. INS. CODE §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.

2. XL Specialty Insurance was classified as "poor" tier in the 2009 Performance Based Oversight (PBO) assessment. XL Specialty Insurance was classified as "average" tier in the 2007, 2010, 2012, 2014, 2016, and 2018 PBO assessments.

DWC Audit No. IP-19-214

3. On [REDACTED], DWC initiated DWC Audit No. IP-19-214 to determine whether XL Specialty Insurance complied with the Texas Labor Code and related rules on the timely payment of initial temporary income benefits (TIBs) and timely and accurate submission of initial payment information to DWC.
4. The audit examined TIBs payments that XL Specialty Insurance reported issuing between [REDACTED], and [REDACTED]. DWC identified 39 initial TIBs payments for audit. One initial TIBs payment failed to meet selection criteria and was dropped from the audit sample. The remaining 38 payments were reviewed to determine XL Specialty Insurance's compliance.
5. The audit focused on the timely payment of initial TIBs and electronic data interchange (EDI) reporting. The EDI portion of the audit focused on the timely reporting of initial TIBs payments and accuracy of five data elements reported to DWC (First Date of Disability, Date of First Written Notice, TIBs from Date, TIBs End Date, and Initial TIBs Payment Date).

*Failure to Timely Pay Initial TIBs*

6. XL Specialty Insurance failed to timely initiate TIBs for 18% of examined payments (seven out of 38).
7. Specifically, XL Specialty Insurance issued payments to injured employees less than six days late in one instance, between six and 15 days late in two instances, and over 30 days late in two instances.

*Failure to Timely or Accurately Report EDI Data to DWC*

8. XL Specialty Insurance failed to timely report initial TIBs payments for 3% of examined payments (one out of 38).

Confidential Information Redacted  
Texas Labor Code §§402.083 and 402.092

9. XL Specialty Insurance failed to accurately report the First Date of Disability for 11% of examined payments (four out of 38).
10. XL Specialty Insurance failed to accurately report the Date of First Written Notice for 16% of examined payments (six out of 38).
11. XL Specialty Insurance failed to accurately report the initial TIBs Payment Date for 5% of examined payments (two out of 38).

### **Assessment of Sanction**

1. Failure to provide income benefits in a timely and cost-effective manner is harmful to injured employees and the Texas workers' compensation system.
2. Timely submitting information and documents to DWC is imperative for it to implement and enforce the Texas Workers' Compensation Act.
3. DWC relies on claims information insurance carriers submit for many purposes, including, but not limited to, providing required information and reports to the Legislature, ensuring that insurance carriers comply with the Texas Labor Code and DWC rules, and detecting patterns and practices in actions insurance carriers take on claims.
4. In assessing the sanction for this case, DWC fully considered the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e):
  - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
  - the history and extent of previous administrative violations;
  - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
  - the penalty necessary to deter future violations;
  - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
  - the history of compliance with EDI requirements;
  - to the extent reasonable, the economic benefit resulting from the prohibited act; and
  - other matters that justice may require, including, but not limited to:
    - PBO assessments;

- prompt and earnest actions to prevent future violations;
  - self-report of the violation;
  - the size of the company or practice;
  - the effect of a sanction on the availability of health care; and
  - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
5. DWC found the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e) to be aggravating: the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act; the history and extent of previous administrative violations; the penalty necessary to deter future violations; whether the administrative violation had a negative impact on the delivery of benefits to an injured employee; the history of compliance with EDI requirements; and other matters that justice may require, including the size of the company or practice.
  6. DWC found the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e) to be mitigating: promptness and earnestness in responding to DWC.
  7. XL Specialty Insurance acknowledges it communicated with DWC about the relevant statutes and rules it violated; the facts establish that the administrative violation occurred; and the proposed sanction is appropriate, including the factors DWC considered under TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e).
  8. XL Specialty Insurance acknowledges that, in assessing the sanction, DWC considered the factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e).
