

Fire safety is for everyone.

Be sure your smoke alarm is working properly.

When cooking, stay in the kitchen and keep an eye on the stove.

Take note of the entrance and an alternate exit wherever you live, work, and play.

If there's a fire—get out and stay out. Never go back into a burning home.

In 2013, a fire occurred every seven minutes. Be prepared.

Practice fire safety every day.

Fires in Texas annuals available at www.tdi.texas.gov/fire/fmtexfir.html
