### Check applicable box:

- The undersigned qualified actuary certifies that the underwriting and rating methods of the named small employer carrier:
- comply with accepted actuarial principles and practices;
  - are uniformly applied to each small employer health benefit plan covering a small employer(as these terms are defined in Insurance Code Chapter 1501); and
  - comply with the provisions of Insurance Code Chapter 1501, Subchapter E and 28 TAC Sections 26.1 - 26.27.
- The undersigned qualified actuary certifies that the underwriting and rating methods of the named small employer carrier do not comply with the underwriting and rating provisions set forth above. (Must attach an explanation identifying the areas of noncompliance and the carrier's proposed actions to correct such noncompliance.)

## **Documentation for Rating Methodology, Rating Practices, and Underwriting Practices**

The named carrier has in its possession or has been provided a complete and detailed description of the applicable rating methodology, including, but not necessarily limited to, rating practices and renewal underwriting practices. Such documentation includes information that demonstrates that the applicable rating methods and practices are based on commonly accepted actuarial assumptions and are in accordance with sound actuarial principles.
