EDUCATION PROGRAMS, AND CERTIFICATION COURSES
28 TAC §§19.1006, 19.1010, 19.1011, and 19.1029**

INTRODUCTION. The Texas Department of Insurance (TDI) proposes to amend 28 Texas Administrative Code (TAC) §§19.1006, 19.1010, 19.1011, and 19.1029, concerning continuing education (CE) requirements of insurance professionals, including agents, adjusters, public insurance adjusters, and managing general agents. The amendments to §19.1029 implement Insurance Code §4004.202(b), concerning CE hours requirements for agents who sell annuities. TDI has also proposed amendments to §§19.1006, 19.1010, and 19.1011 to modernize and streamline the CE process for insurance professionals. Additionally, TDI proposes amendments to §§19.1006, 19.1011, and 19.1029 to reflect current TDI style guidelines.

EXPLANATION. In response to a TDI initiative to identify rules for updates and changes, stakeholders requested that TDI amend the CE rules to simplify existing requirements and add options for obtaining CE course credit. In response to this, the proposed amendments to §§19.1006, 19.1010, and 19.1011 update the rules to reflect best practices for the CE requirements of insurance professionals.

Amendments to §19.1006 update the CE course topics, providing more detail and choices to make it easier for insurance professionals to obtain individually tailored CE. Amendments to §19.1010 add ways to calculate CE hours and simplify credit hours to include only whole numbers, to align with industry best practices. And amendments to §19.1011 give providers more flexibility in administering a CE exam and makes clear that a CE provider may issue an electronic certificate for CE course completion directly to the insurance professional. These amendments will help ensure that insurance professionals acquire and maintain the expertise to properly serve Texas insureds.

Further, the Legislature amended Insurance Code §4004.202(b) in response to a TDI biennial report that called for additional CE requirements because of increased consumer complaints about complex insurance products. The proposed amendment to §19.1029 will bring the rule into compliance with Insurance Code §4004.202(b).

The proposed amendments to the sections are described in the following paragraphs.

Section 19.1006. Section 19.1006(a) is amended to expand and modernize the nonexclusive list of topics that may be covered as part of a certified continuing education course. The amended list contains 31 topics listed in new paragraphs (1) through (31), including new topics related to financial planning. Subsection (a) is further amended to clarify course content requirements for ethics and consumer protection credit by deleting current paragraphs (1) – (18) and inserting text that tracks those paragraphs into new paragraph (8)(A) – (R).

Section 19.1010. Section 19.1010(a)(1) and §19.1010(a)(2)(B) are amended by deleting the third and second sentences, respectively, referring to partial hour credit for CE courses. Section 19.1010(a)(2)(A) is amended by adding clauses (iii) and (iv), which describe new options for providers to calculate the number of credit hours per course. The options in new clauses (iii) and (iv) supplement the existing options in clauses (i) and (ii), and catchlines are also added to existing clauses (i) and (ii) to describe the content of those clauses.

Section 19.1011. Section 19.1011(d)(1) is amended by deleting the last two sentences of the existing paragraph, which mandate that at least 70% of examination questions or interactive inquiries be based at the application level, while the remainder may be at the knowledge level. The removal of this requirement in §19.1011(d)(1) will allow providers to offer more courses catered to educating novice insurance professionals.

Section 19.1011(e) is amended by deleting the last sentence of the existing subsection, which mandates that only CE course providers may prepare, print, or complete a CE course certificate of completion. Deleting the last sentence and making conforming amendments to the remainder of the subsection will ensure that while providers must still prepare and complete the certificates of completion, the provider may award electronic certificates that may be printed by the insurance professional.

Section 19.1029. Section 19.1029 is amended to mirror the requirements of Insurance Code §4004.202(b). The existing section relates to CE hours regarding agents who sell annuities, and existing subsection (a) requires four hours of TDI-certified CE per year. Existing subsections (b) and (c) are deleted.

Existing §19.1029(a) is amended by adding a sentence to clarify that the exemptions provided in §19.1004(b) and (c) also apply to insurance professionals certified to sell annuities. The remainder of the existing text of the subsection is divided into new subsections (b) and (c). The text from existing subsection (a) that is incorporated into new subsection (b) is amended to require eight hours of TDI-certified continuing education hours every two years. The text from existing subsection (a) that is incorporated into new subsection (c) is amended to clarify that completion of the annuity certification course required by §19.1028 constitutes four hours of TDI-certified annuity continuing education in the license period during which the certification course is taken. These changes will align the section with the requirements in the Insurance Code and further simplify requirements for insurance professionals engaging in the annuities business.

In addition, the proposed amendments to §§19.1006, 19.1010, 19.1011, and 19.1029 include nonsubstantive editorial and formatting changes to conform the sections to the agency's current style and to improve the rule's clarity. These changes include replacing each instance of "department," replacing or deleting each instance of "shall," and revising the wording where administrative code sections are referenced.

"Department" or "the department" is replaced by "TDI," "shall" is replaced by "must" or otherwise replaced or deleted as appropriate, and the words "chapter" and "subchapter" are changed to "title" where they appear in references to administrative code sections. In addition, punctuation and capitalization is revised throughout the existing text where necessary to correct existing errors and for consistency with TDI's current style.

TDI received comments on the CE rules in response to a TDI initiative requesting that stakeholders identify rules for updates or changes. TDI considered those comments when drafting this proposal.

FISCAL NOTE AND LOCAL EMPLOYMENT IMPACT STATEMENT. Chris Herrick, deputy commissioner of the Customer Operations Division, has determined that during each year of the first five years the proposed amendments are in effect, there will be no measurable fiscal impact on state and local governments as a result of enforcing or administering the sections, other than that imposed by the statute. Mr. Herrick made this determination because the proposed amendments do not add to or decrease state revenues or expenditures, and because local governments are not involved in enforcing or complying with the proposed amendments.

Mr. Herrick does not anticipate any measurable effect on local employment or the local economy as a result of this proposal.

PUBLIC BENEFIT AND COST NOTE. For each year of the first five years the proposed amendments are in effect, Mr. Herrick expects that administering the proposed amendments will have the public benefits of ensuring: (i) that TDI's rules conform to Insurance Code §4004.202, promoting increased compliance with CE requirements; (ii) clarification and modernization of existing CE requirements; and (iii) that insurance professionals acquire and maintain the expertise to properly serve Texas insureds.

Mr. Herrick expects that the proposed amendments will not increase the cost of compliance to regulated persons because insurance professionals will have more choices available for CE courses, CE course providers will have more options for calculating course hours, and there will be clearer CE requirements for insurance professionals regarding annuities. Additionally, the change from four annuity CE hours per year to eight annuity CE hours every two years gives the licensee more flexibility on timing while not requiring any additional hours. The increased number of choices and clarity in fulfilling CE requirements will be a cost saving for insurance professionals, insurers, and course providers, because complying with the CE requirements of Insurance Code, Chapter 4004 will become easier and simpler.

ECONOMIC IMPACT STATEMENT AND REGULATORY FLEXIBILITY ANALYSIS. TDI has determined that the proposed amendments will not have an adverse economic effect on small or micro businesses, or on rural communities. Instead, the amendments provide more options for continued education credits, making compliance easier for all businesses, regardless of size. The amendments do not apply to rural communities. As a result, and in accordance with Government Code §2006.002(c), TDI is not required to prepare a regulatory flexibility analysis.

EXAMINATION OF COSTS UNDER GOVERNMENT CODE §2001.0045. TDI has determined that the proposed amendments do not impose a cost on regulated persons under Government Code §2001.0045. As discussed under the public benefit and cost note, TDI has determined that the proposed amendments to §§19.1006, 19.1010, 19.1011, and 19.1029 decrease the overall costs on regulated persons. Government Code §2001.0045(c)(2)(B) states that Government Code §2001.0045 does not apply to a rule that is amended to decrease regulated persons' cost for compliance with the rule.

GOVERNMENT GROWTH IMPACT STATEMENT. TDI has determined that for each year of the first five years that the proposed amendments are in effect, the proposed rule:

- will not create or eliminate a government program;
- will not require the creation of new employee positions or the elimination of existing employee positions;
- will not require an increase or decrease in future legislative appropriations to the agency;
- will not require an increase or decrease in fees paid to the agency;
- will not create a new regulation;
- will expand, limit, or repeal an existing regulation;
- will not increase or decrease the number of individuals subject to the rule's applicability; and
- will not positively or adversely affect the Texas economy.

TAKINGS IMPACT ASSESSMENT. TDI has determined that no private real property interests are affected by this proposal and that this proposal does not restrict or limit an owner's right to property that would otherwise exist in the absence of government action. As a result, this proposal does not constitute a taking or require a takings impact assessment under Government Code §2007.043.

REQUEST FOR PUBLIC COMMENT. TDI will consider any written comments on the proposal that are received by TDI no later than 5:00 p.m., central time, on December 28, 2020. Send your comments to ChiefClerk@tdi.texas.gov; or to the Office of the Chief Clerk, MC 112-2A, Texas Department of Insurance, P.O. Box 149104, Austin, Texas 78714-9104.

To request a public hearing on the proposal, submit a request before the end of the comment period to ChiefClerk@tdi.texas.gov; or to the Office of the Chief Clerk, MC 112-2A, Texas Department of Insurance, P.O. Box 149104, Austin, Texas 78714-9104. The request for public hearing must be separate from any comments and received by the department no later than 5:00 p.m., central time, on December 28, 2020. If TDI holds a public hearing, TDI will consider written and oral comments presented at the hearing.

EDUCATION PROGRAMS, AND CERTIFICATION COURSES
28 TAC §§19.1006, 19.1010, 19.1011, and 19.1029.**

STATUTORY AUTHORITY. TDI proposes amendments to §§19.1006, 19.1010, 19.1011, and 19.1029 under Insurance Code §§4004.001, 4004.103, 4004.104, 4004.203, and 36.001.

Insurance Code §4004.001 provides TDI with exclusive jurisdiction for all matters relating to the continuing education of agents licensed under the Insurance Code.

Insurance Code §4004.103 provides that the Commissioner may adopt rules establishing other requirements for continuing education program providers.

Insurance Code §4004.104 provides TDI with authority to establish the scope and type of continuing education requirements for each type of licensee.

Insurance Code §4004.203 provides that the Commissioner by rule adopt criteria for continuing education programs used to satisfy the requirements of §4004.202.

Insurance Code §36.001 provides that the Commissioner may adopt any rules necessary and appropriate to implement the powers and duties of TDI under the Insurance Code and other laws of this state.

CROSS-REFERENCE TO STATUTE. Amendments to §§19.1006, 19.1010, and 19.1011 affect Insurance Code §§4004.051, 4004.054, 4004.055, 4004.101, 4004.103, and 4004.105. Amendments to §19.1029 affect Insurance Code §1115.056 and implement Insurance Code §4004.202.

(b) To be certified as an adjuster prelicensing education course or program, the course content must enhance the student's knowledge, understanding, and/or professional competence regarding the subjects set forth in §~~§~~19.1017 and §19.1018 of this title (relating to Adjuster Prelicensing Education Course Content and Examination Requirements and Adjuster Prelicensing Examination Topics). Unless specifically stated otherwise, this subchapter applies ~~shall apply~~ equally to courses certified for continuing education and adjuster prelicensing purposes.

(c) To be certified as a long-term care partnership certification course, the course content must enhance the student's knowledge, understanding, and professional competence regarding the subjects specified in §19.1022 of this ~~title~~ ~~[subchapter]~~ (relating to Long-Term Care Partnership Certification Course). Unless specifically stated otherwise, this subchapter applies ~~[shall apply]~~ equally to courses certified for continuing education and long-term care partnership certification and long-term care partnership continuing education purposes.

(d) To be certified as a Medicare-related product certification course, the course content must enhance the student's knowledge, understanding, and professional competence regarding the subjects specified in §19.1024 of this ~~title~~ ~~[subchapter]~~ (relating to Medicare-Related Product Certification Course). Unless specifically stated otherwise, this subchapter applies ~~[shall apply]~~ equally to courses certified for continuing education, Medicare-related product certification, and Medicare-related product continuing education purposes.

(e) To be certified as a small employer health benefit plan specialty certification course, the course content must enhance the student's knowledge, understanding, and professional competence regarding the subjects specified in §19.1026 of this ~~title~~ ~~[subchapter]~~ (relating to Small Employer Health Benefit Plan Specialty Certification Course). Unless specifically stated otherwise, this subchapter applies ~~[shall apply]~~ equally to courses certified for continuing education and small employer health benefit plan specialty certification.

(f) To be certified as an annuity certification or continuing education course, the course content must enhance the student's knowledge, understanding, and professional competence regarding the subjects specified in §19.1028(g)(1) - (4) of this ~~title~~ ~~[subchapter]~~ (relating to Annuity Certification Course). Unless specifically stated

otherwise, this section applies ~~[shall apply]~~ equally to courses certified for continuing education and annuity certification.

(g) The following course content is ~~[shall]~~ not ~~[be considered]~~ applicable to a licensee's continuing education requirements:

(1) meetings ~~[Meetings]~~ held in conjunction with the regular business of the licensee or courses or training relating to the marketing and business practices of a specific company;

(2) course ~~[Course]~~ content teaching general accounting, speed reading, other general business skills, computer use, or computer software application use;

(3) course ~~[Course]~~ content teaching motivation, goal-setting, time management, communication, sales, or marketing skills;

(4) course ~~[Course]~~ content providing for prelicensing training qualifying examination preparation;

(5) course ~~[Course]~~ content that does not meet the requirement of subsection (a) of this section; and

(6) course ~~[Course]~~ content that is substantially:

(A) a glossary, dictionary, or index of insurance terms without independent distinction as to the application of these terms to the business of insurance through case studies or analysis based on actual or hypothetical factual situations that apply to the business of insurance; or

(B) a recitation of statutes, rules, legal principles, or theories without independent distinction as to the application of these issues to the business of insurance through case studies or analysis based on actual or hypothetical factual situations that apply to the business of insurance.

(h) A single continuing education course may include both ethics and consumer protection credit topics with other topics meeting the requirements of subsection (a) of this section.

§19.1010. Hours of Credit.

(a) Credit hours for courses are determined by the methods set forth in paragraphs (1) - (7) of this subsection.[:]

(1) TDI will award credit for certified classroom courses at the rate of one hour for every 50 minutes of actual instruction contact time. All classroom courses must be at least one hour of credit in length. [~~TDI will award credit for additional partial hours of instruction contact time in half-hour increments with all periods of less than 25 minutes being awarded no additional credit and periods of less than 50 minutes being awarded one half-hour of additional credit.~~] Instruction contact time is considered the amount of time devoted to the actual course instruction and does not include breaks, lunch, dinner, introductions of speakers, explanatory or preparatory instructions, or evaluation of the course. TDI will not certify more than 24 credit hours for any one classroom course.

(2) TDI will award credit for certified classroom equivalent and self study courses as set forth in subparagraphs (A) - (D) of this paragraph.[:]

(A) The provider must determine the number of course hours by using one [~~either~~] of the methods described in the following clauses. [~~set forth in clauses (i) or (ii) of this subparagraph.~~]

(i) Average completion time. The provider may determine the number of course hours by calculating the average completion time of the individual course completion times of at least five licensees. If the provider uses this method to determine the number of credit hours, the provider must retain the names, current insurance license numbers, and completion times of all licensees that were used by the

provider. A provider using this method may, at its discretion, issue certificates of completion in the number of hours certified by TDI to the licensees involved in the process and who completed the entire course.[?]

(ii) Average number of credit hours assigned by other states.

The provider may determine the number of course hours by calculating the average number of hours of the credit hours assigned by all other states in which the course is certified or approved. A provider may not use this method to determine the number of credit hours unless the course is approved in at least three other states. Providers may not include any hours allowed by other states for sales and marketing topics in calculating the average.[?]

(iii) Word count/difficulty level. Providers using this method must designate the course as one of three difficulty levels: basic, intermediate, or advanced. A basic level course is designed for entry-level practitioners or practitioners new to the subject matter, an intermediate level course is designed for practitioners who have existing competence in the subject area and who seek to further develop and apply their skills, and an advanced course is designed for practitioners who have a strong foundation and high level of competence in the subject matter. Using these course difficulty definitions, the provider may then determine the number of course hours in the following manner. First, divide the total number of words by 180 to equal the documented average reading time. Second, divide the documented average reading time by 50 to equal the credit hours for a basic level course. Third, for intermediate and advanced courses, multiply the number of credit hours by 1.25 and 1.50, respectively, to reach the total number of credit hours for those respective courses. Fractional hours must be rounded up to the nearest whole number if .50 or above, and fractional hours must be rounded down to the nearest whole number if .49 or less.

(iv) Interactive course content. To use this method, the course must be interactive. An interactive course includes regularly occurring opportunities for student participation, engagement, and interaction with or in course activities and information. Examples include but are not limited to question and answer sessions, polling, games, sequencing, and matching exercises. The provider may determine the number of course hours of an interactive course by calculating the run time of the mandatory interactive elements, which include only those elements required to complete the course.

(B) All classroom equivalent and self study courses must be at least one hour of credit, 50 minutes, in length. ~~[TDI will award additional partial credit hours in half hour increments with all periods of less than 25 minutes being awarded no additional credit and periods of less than 50 minutes being awarded one half hour of additional credit.]~~

(C) Providers may not use the final examination and pre-tests for determining course hours or calculating an average.

(D) TDI will not certify more than 24 credit hours for any one classroom equivalent course or 12 credit hours for any one self study course.

(3) TDI will grant continuing education classroom credit to licensees successfully completing qualifying college, law school, and university insurance classroom courses, as determined by the college, law school, or university. The number of classroom hours of continuing education credit for college, law school, and university insurance courses is the number of classroom instruction contact hours not including examinations, which may be no more than 24 credit hours per course.

(4) TDI will grant 12 self study credit hours to licensees successfully passing qualifying national designation certification program examinations. Should the licensee also participate in and successfully complete a certified or qualifying classroom or

classroom equivalent course in preparation for the national designation certification program examination, the licensee must choose either the classroom presentation or the national designation certification program examination to count as credit towards the licensee's continuing education requirement.

(5) Licensees who teach any portion of a certified continuing education classroom course may receive hour for hour classroom credit up to the maximum number of credit hours for the course. Licensees who teach courses may also be awarded an equal number of self study hours as credit for course preparation.

(6) TDI will grant continuing education classroom credit to licensees successfully completing qualifying courses certified or approved for classroom, classroom equivalent, or participatory credit by the continuing education authority of a state bar association or state board of public accountancy on an hour for hour basis equal to the credit hours assigned to the course by the certifying state bar association or state board of public accountancy. The state bar association or state board of public accountancy must determine what constitutes successful completion of the course. TDI will not grant licensees self study credit for any course accepted by a state bar association or state board of public accountancy unless the self study course is offered through a registered provider in accordance with this subchapter.

(7) TDI will grant licensees continuing education credit for successfully completing courses certified or approved by the Federal Farm Credit Insurance Corporation on an hour for hour basis as assigned by the Farm Credit Insurance Corporation. The Farm Credit Insurance Corporation must determine what constitutes successful completion of the course.

(b) A provider must not issue certificates of completion to a licensee for partial credit of any course, except to an instructor teaching a portion of the course and who does not attend the full course.

(c) A licensee may not receive credit for teaching or completing the same continuing education course more than once within the same reporting period for compliance with the continuing education requirement.

(d) Providers may advertise and link courses as parts of a whole curriculum, but providers may not require a licensee to purchase more than one continuing education course to receive the credit hours approved for a single course.

§19.1011. Requirements for Successful Completion of Continuing Education Courses.

(a) Providers must ~~[shall]~~ use, at a minimum, actual attendance rosters to certify completion of a certified classroom or one-time-event continuing education course or a certified classroom certification course. TDI ~~[The department]~~ requires each student to attend at least 90% of the course. Providers must ~~[shall]~~ establish a means to ensure that each student attended at least 90% of the course. Attendance records must include, at a minimum, sign-in and sign-out sheets, and the legible names, addresses, and TDI license number of each student in attendance. Providers must ~~[shall]~~ use a written, online, or computer-based final examination to determine completion of all certified classroom certification courses that statutorily require an examination for successful completion of the certified classroom certification course. Providers may establish additional assessment measurements or any other completion requirements for successful completion of a classroom continuing education or classroom certification course, but those requirements must be fully disclosed in the registration materials before the student purchases the course. Providers must ~~[shall]~~ determine successful completion of these additional requirements.

(b) Providers must ~~[shall]~~ use the periodic interactive inquiries to determine completion of certified classroom equivalent continuing education or certification

courses. A student must complete all inquiry sections with a minimum score of at least 70% for each section.

(c) Providers must ~~[shall]~~ use a written, online, or computer-based final examination as the means of completion for all certified self-study continuing education or certification courses. TDI ~~[The department]~~ does not require providers to monitor continuing education or certification self-study examinations. Course records for each examination attempt must include, at a minimum, the date the exam was taken, the final examination score, the examination version used, the legible name, address, and the TDI license number of each student.

(d) Self study examinations and classroom equivalent interactive inquiries must ~~[shall]~~ meet the criteria set forth in paragraphs (1) - (12) of this subsection:

(1) the ~~[The]~~ final examination or interactive inquiries must reasonably evaluate the student's understanding of the course content ~~[-At least 70% of the examination questions or interactive inquiries must be based at the application level. The remainder of the questions may be based at the knowledge level];~~

(2) the ~~[The]~~ specific final examination questions and interactive inquiries may not be made available to the student until the test is administered, and providers ~~[Providers]~~ must ~~[shall]~~ effect security measures to maintain the integrity of the examination;

(3) providers must ~~[Providers shall]~~ maintain a record of each student's final examination in the student's record for four years;

(4) an ~~[An]~~ authorized staff member or computer program must ~~[shall]~~ grade self study final examinations, and the ~~[-The]~~ interactive inquiry computer program must ~~[shall]~~ grade interactive inquiries;

(5) providers must ~~[Providers shall]~~ allow students to retake an examination at least one time if a score of 70% or higher is not achieved;

(6) providers must [~~Providers shall~~] revise and update self study final examinations and interactive inquiries consistent with the course update/revision;

(7) providers [~~Providers~~] requiring a monitored final examination must [~~shall~~] establish the rules under which the examination will [~~shall~~] be given;

(8) the [~~The~~] examination or interactive inquiry periods must consist of questions that do not give or indicate an answer or correct response and are of the following types:

(A) for self study courses:

(i) short essay questions requiring a response of five or more words;

(ii) fill in the blank questions requiring a response from memory and not from an indicated list of potential alternatives; or

(iii) multiple choice questions stemming from an inquiry with at least four appropriate potential responses and for which "all of the above" or "none of the above" is not an appropriate option;

(B) for interactive inquiry periods, multiple choice questions stemming from an inquiry with at least four appropriate potential responses and for which "all of the above" or "none of the above" is not an appropriate option;

(9) each [~~Each~~] interactive inquiry period must consist of at least five questions;

(10) each [~~Each~~] self study final examination must [~~shall~~] consist of at least 10 questions for each hour of credit up to a maximum requirement of 50 questions per course. Providers may, at their discretion, have a greater number of final examination questions;

(11) during [~~During~~] examinations and interactive inquiry periods, licensees may use course materials or personal notes, but may not use another person's notes,

answers, or otherwise receive assistance in answering the questions from another person;
and

(12) licensees must [~~Licensees shall~~] mail or deliver the completed self study examination directly to the provider.

(e) Providers must [~~shall~~] issue certificates of completion to students who successfully complete a certified course. The provider must prepare the certificate and issue it [~~the certificate~~] in a manner that [~~which shall~~] ensures that the student receiving the certificate is the student who took the course, issue the certificate within 30 days of completing the course, and complete the certificate to reflect the date the student took the course/examination. [~~Providers shall not allow a student, or any person or organization other than the provider giving the course, to prepare, print, or complete a certificate of completion.~~]

(f) Notwithstanding subsections (a) - (e) of this section, licensees must claim continuing education under §19.1020 of this title [~~chapter~~] (relating to State and National Association Credit) by sending to TDI [~~the department~~], or its designee, upon request, an affirmation acceptable to TDI [~~the department~~] containing:

(1) the licensee's name, address, telephone number, and licensee's TDI [~~department~~] license number;

(2) the name of the national designation or state or national insurance association providing educational materials or sponsoring educational presentations;

(3) the cumulative number of hours of credit claimed for reviewing the educational materials;

(4) the cumulative number of hours of credit claimed for attending the educational presentations;

(5) a statement that the licensee currently holds the national designation or is a member in good standing of the state or national insurance association; and

(6) A statement that the licensee completed at least the number of hours in these activities the licensee is claiming for continuing education credit.

(g) In addition to the affirmation provided under subsection (f) of this section, TDI [~~the department~~] may request a licensee claiming hours under §19.1020 of this title [~~chapter~~] to submit a sworn written affirmation to TDI [~~the department~~] confirming under oath the information in subsection (f) of this section. Failure to submit a sworn affirmation will result in denial of the claimed hours and may result in disciplinary action under §19.1015 of this title [~~subchapter~~] (relating to Failure to Comply) or the Insurance Code.

§19.1029. Annuity Continuing Education.

(a) Licensees who qualify for the exemption provided in §19.1004(b) or (c) of this title (relating to Licensee Exemption from and Extension of Time for Continuing Education) are exempt from the provisions of this section.

(b) During a licensee's two-year licensing period, [~~In addition to completing the annuity certification course required by §19.1028 of this subchapter (relating to Annuity Certification Course),~~] a licensee who sells, solicits, or negotiates a contract for an annuity or represents an insurer in relation to an annuity in this state, or intends to sell, solicit, or negotiate a contract for an annuity or represent an insurer in relation to an annuity in this state must complete at least eight [~~four~~] hours of TDI-certified [~~department-certified~~] annuity continuing education in compliance with this section.

(c) Completion of the annuity certification course required by §19.1028 of this title (relating to Annuity Certification Course) constitutes four hours of TDI-certified annuity continuing education in the license period during which the certification course is taken.

~~[(b) If a licensee completes the annuity certification course required by §19.1028 of this subchapter before the expiration of the 12th month of the licensee's licensing period, the continuing education required by this section must be completed by the end of the~~

~~expiration of that licensing period. If a licensee completes the annuity certification course required by §19.1028 of this subchapter after the 12th month of the licensee's licensing period, the continuing education required by this section must be completed before the expiration of the 12th month in the licensing period following the licensing period in which the licensee completed the annuity certification course.]~~

~~[(c) For each successive licensing period following the expiration of a licensee's license occurring on or after April 1, 2010, and after a licensee has completed the annuity certification course required by §19.1028 of this subchapter, a licensee subject to the requirements of this section must complete at least four hours of department certified annuity continuing education every twelve months, calculated from the date of the license renewal.]~~
