RE: DWC Form-20SI, *Governmental Entity Coverage Information*

The Texas Department of Insurance, Division of Workers' Compensation (DWC) has revised the static and electronic versions of the DWC Form-20SI, *Governmental Entity Coverage Information*, effective August 29, 2024. We posted the draft form on the [TDI website](#).

These revisions are necessary to align with agency style, correct technical problems with the electronic form, and to give political subdivisions that self-insure a single form for reporting coverage and contact information.

You may submit your comments on the draft form by completing our [online form](#).

The deadline to submit comments is 5 p.m., Central time, on August 23, 2024.
