**Official Order  
of the  
Texas Commissioner of Workers' Compensation**

**Date:** 06-22-2021

**Subject Considered:**

The Travelers Indemnity Company  
One Tower Square  
Hartford, Connecticut 06183-6014

Consent Order  
DWC Enforcement File No. 21792

**General remarks and official action taken:**

This is a consent order with The Travelers Indemnity Company (Travelers Indemnity). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Travelers Indemnity.

**Waiver**

Travelers Indemnity acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Travelers Indemnity waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

**Findings of Fact**

1. Travelers Indemnity holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to TEX. INS. CODE §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.

- Travelers Indemnity was classified as "poor" tier in the 2007 Performance Based Oversight (PBO) assessment. Travelers Indemnity was classified as "average" tier in the 2009, 2010, 2012, 2014, 2016, and 2018 PBO assessments.

DWC Audit No. IP-19-212

- On [REDACTED], DWC initiated DWC Audit No. IP-19-212 to determine whether Travelers Indemnity complied with the Texas Labor Code and related rules on the timely payment of initial temporary income benefits (TIBs) and timely and accurate submission of initial payment information to DWC.
- The audit examined TIBs payments that Travelers Indemnity reported issuing between [REDACTED], and [REDACTED]. DWC identified 50 initial TIBs payments for audit to determine Travelers Indemnity's compliance.
- The audit focused on the timely payment of initial TIBs and electronic data interchange (EDI) reporting. The EDI portion of the audit focused on the timely reporting of initial TIBs payments and accuracy of five data elements reported to DWC (First Date of Disability, Date of First Written Notice, TIBs from Date, TIBs End Date, and Initial TIBs Payment Date).

*Failure to Timely Pay Initial TIBs*

- Travelers Indemnity failed to timely initiate TIBs for 30% of examined payments (15 out of 50).
- Specifically, Travelers Indemnity issued payments to injured employees less than six days late in four instances, between six and 15 days late in five instances, between 16 and 30 days late in four instances, and over 30 days late in two instances.

*Failure to Timely or Accurately Report EDI Data to DWC*

- Travelers Indemnity failed to timely report initial TIBs payments for 4% of examined payments (two out of 50).
- Travelers Indemnity failed to accurately report the First Date of Disability for 14% of examined payments (seven out of 50).

10. Travelers Indemnity failed to accurately report the Date of First Written Notice for 8% of examined payments (four out of 50).

### **Assessment of Sanction**

1. Failure to provide income benefits in a timely and cost-effective manner is harmful to injured employees and the Texas workers' compensation system.
2. Timely submitting information and documents to DWC is imperative for it to implement and enforce the Texas Workers' Compensation Act.
3. DWC relies on claims information insurance carriers submit for many purposes, including, but not limited to, providing required information and reports to the Legislature, ensuring that insurance carriers comply with the Texas Labor Code and DWC rules, and detecting patterns and practices in actions insurance carriers take on claims.
4. In assessing the sanction for this case, DWC fully considered the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e):
  - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
  - the history and extent of previous administrative violations;
  - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
  - the penalty necessary to deter future violations;
  - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
  - the history of compliance with EDI requirements;
  - to the extent reasonable, the economic benefit resulting from the prohibited act; and
  - other matters that justice may require, including, but not limited to:
    - PBO assessments;
    - prompt and earnest actions to prevent future violations;
    - self-report of the violation;
    - the size of the company or practice;
    - the effect of a sanction on the availability of health care; and

- evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
5. DWC found the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e) to be aggravating: the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act; the history and extent of previous administrative violations; the penalty necessary to deter future violations; whether the administrative violation had a negative impact on the delivery of benefits to an injured employee; the history of compliance with EDI requirements; and other matters that justice may require, including the size of the company or practice.
  6. DWC found the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e) to be mitigating: promptness and earnestness in responding to DWC. Travelers Indemnity has provided mitigating evidence for the two latest claims identified in the audit. Travelers Indemnity encountered third party delay for at least one of the two latest claims identified in the audit. Travelers Indemnity has taken steps to correct and improve timely and proper initiation of benefits and EDI data reporting via training.
  7. Travelers Indemnity acknowledges it communicated with DWC about the relevant statutes and rules it violated; the facts establish that the administrative violation occurred; and the proposed sanction is appropriate, including the factors DWC considered under TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e).
  8. Travelers Indemnity acknowledges that, in assessing the sanction, DWC considered the factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e).

### **Conclusions of Law**

1. The commissioner has jurisdiction over this matter pursuant to TEX. LAB. CODE §§ 402.001, 402.00114, 402.00116, 402.00128, 409.021, 414.002, 414.003, 415.002, and 415.021.

4. Pursuant to TEX. LAB. CODE § 415.021, the commissioner may assess an administrative penalty against a person who commits an administrative violation.

CODE §§ 124.3 and 124.7, an insurance carrier is required to initiate payment of TIBs no later than the 15th day after it receives written notice of the injury or the seventh day after the accrual date, unless the insurance carrier notifies DWC and the injured employee in writing of its refusal to pay.
8. Travelers Indemnity violated TEX. LAB. CODE § 415.002(a)(20) and (22) each time it failed to timely initiate payment of TIBs.
9. Pursuant to 28 TEX. ADMIN. CODE § 124.2(a) and (b), insurance carriers are required to notify DWC and the injured employee of actions taken or events occurring in a claim, as specified by rule in the form and manner DWC prescribes. Inherent in this duty is the requirement that insurance carriers report this information accurately.
10. Travelers Indemnity violated TEX. LAB. CODE § 415.002(a)(20) each time it failed to timely or accurately notify DWC and the injured employee of actions it took or events that occurred in a claim, as specified by rule in the form and manner DWC prescribed.
