Re: Review of Agency Rules, Adopted Rule Review, 28 Texas Administrative Code Part 2, Chapters 160, 165, 166, and 180

The Texas Department of Insurance, Division of Workers' Compensation (DWC) readopts all sections in [28 Texas Administrative Code](#) Chapters 160, 165, 166, and 180. This readoption complies with Texas Government Code §2001.039, which requires a state agency to review each rule every four years and readopt, readopt with amendments, or repeal the rule. Notice of rule review was published in the *Texas Register* on May 14, 2021 (46 TexReg 3147). There was no request for a public hearing.

DWC has determined that the reasons for adopting the chapters continue to exist. The notice of readoption will be published in the August 20, 2021, issue of the *Texas Register*.

In future rulemaking, we may consider any suggested repeals or amendments identified during this rule review under the Administrative Procedure Act in Texas Government Code Chapter 2001.
