Consent Order
DWC Enforcement File No. 35095

General remarks and official action taken:

This is a consent order with Crowley ISD (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

Waiver

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Respondent is a self-insured government entity that provides workers' compensation benefits to its employees in accordance with Tex. Lab. Code Ch. 504.
2. Respondent was not selected to be tiered in the 2022, 2020, or 2018 Performance Based Oversight (PBO) assessments.

DWC Audit No. MBP-24-104

3. On [REDACTED], DWC initiated DWC Audit No. MBP-24-104 to determine whether Respondent complied with the Texas Labor Code and related rules on the timely processing of initial medical bills and the timely and accurate reporting of electronic data interchange (EDI) medical bill payment data to DWC.
4. The audit examined initial medical bills submitted to DWC between [REDACTED], and [REDACTED]. DWC identified 100 bills for audit. These 100 bills were reviewed to determine Respondent's compliance.
5. The audit focused on the timely and accurate processing of initial medical bills and EDI reporting. The EDI portion focused on the timely and accurate reporting of medical bill payment data and seven data elements reported to DWC (Rendering Line Provider National Provider Identifier Number (NPI), Rendering Line Provider State License Number, Referring Provider Last/Group Name, Referring Provider State License Number, Billing Provider Federal Employer Identification Number, Date Bill Received, and Date Bill Paid or Denied).

Failure to Timely Pay Medical Bills

6. Respondent failed to timely process 19% of the initial medical bills within 45 days of receiving the bill (19 out of 100).
7. Specifically, Respondent issued payments to health care providers less than 30 days late in four instances and more than 30 days late in 15 instances, one of which was paid 347 days late.

Failure to Timely or Accurately Report EDI Medical Bill Payment Data to DWC

8. Respondent failed to accurately report the Rendering Line Provider NPI for 15% of the examined bills (15 out of 100).
9. Respondent failed to accurately report the Rendering Line Provider State License Number for 24% of the examined bills (24 out of 100).
10. Respondent failed to accurately report the Referring Provider Last/Group Name for 7% of the examined bills (7 out of 100).

11. Respondent failed to accurately report the Referring Provider State License Number for 4% of the examined bills (4 out of 100).
12. Respondent failed to accurately report the Date Bill Received for 10% of the examined bills (10 out of 100).

Assessment of Sanction

1. Prompt processing and payment of medical bills is imperative to DWC's goal of ensuring that injured employees have access to prompt, high-quality medical care.
2. DWC relies on medical bill payment information insurance carriers submit for many purposes, including, but not limited to, providing required information and reports to the Legislature; ensuring that health care providers and insurance carriers comply with DWC's medical policies and fee guidelines; creating medical fee guidelines; adopting treatment and return-to-work guidelines; and detecting patterns and practices in medical charges, payments, and protocols.
3. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with EDI requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and

- evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
4. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating: the seriousness of the violation, including the lateness of some of the bills; the history and extent of previous administrative violations, including a past similar audit; the penalty necessary to deter future violations; and the history of compliance with EDI requirements.
 5. As a matter of justice, DWC considered as mitigating that Respondent is a self-insured governmental entity and a school district and the fact that this matter results from a DWC audit and not a system participant complaint pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e). DWC also considered Respondent's prompt and earnest actions to prevent future violations.
 6. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
 7. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).

Conclusions of Law

1. The commissioner has jurisdiction over this matter pursuant to Tex. Lab. Code §§ 402.001, 402.00114, 402.00116, 402.00128, and 414.002.
2. The commissioner has the authority to dispose of this case informally pursuant to Tex. Gov't Code § 2001.056, Tex. Lab. Code §§ 401.021 and 402.00128(b)(6)-(7), and 28 Tex. Admin. Code § 180.26(h) and (i).
3. Respondent has knowingly and voluntarily waived all procedural rights to which it may have been entitled regarding the entry of this order, including, but not limited to, issuance and service of notice of intent to institute disciplinary action, notice of hearing, a public hearing, a proposal for decision, a rehearing by the commissioner, and judicial review.

4. Pursuant to Tex. Lab. Code § 415.021, the commissioner may assess an administrative penalty against a person who commits an administrative violation.
5. Pursuant to Tex. Lab. Code § 415.002(a)(20), an insurance carrier or its representative commits an administrative violation each time it violates a DWC rule.
6. Pursuant to Tex. Lab. Code § 415.002(a)(22), an insurance carrier or its representative commits an administrative violation each time it fails to comply with a provision of the Texas Workers' Compensation Act.
7. Pursuant to Tex. Lab. Code § 408.027 and 28 Tex. Admin. Code § 133.240, insurance carriers are required to timely process and take final action on a properly completed medical bill within 45 days of receiving the bill.
8. Respondent violated Tex. Lab. Code §§ 415.002(a)(20) and 415.002(a)(22) each time it failed to timely process a properly completed medical bill within 45 days of receiving the bill.
9. Pursuant to 28 Tex. Admin. Code § 134.804(d), insurance carriers are responsible for timely and accurately submitting medical EDI records to DWC.
10. Respondent violated Tex. Lab. Code § 415.002(a)(20) each time it failed to submit timely and accurate medical EDI records to DWC.
