Consent Order
DWC Enforcement File No. 36510

General remarks and official action taken:

This is a consent order with Sompo America Insurance Company (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

Waiver

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Respondent holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to Tex. Ins. Code §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.
2. Respondent was classified as "average" tier in the 2024, 2022, and 2020 Performance Based Oversight (PBO) assessments.

Failure to Timely Pay or Dispute Initial Temporary Income Benefits (TIBs)

3. On [REDACTED], Respondent received notice of an employee's workplace injury.
4. The injured employee's first day of disability began on [REDACTED]. The eighth day of disability accrued on [REDACTED].
5. Respondent was required to initiate or dispute TIBs either 15 days after it received written notice of the injury or seven days after the accrual date, whichever is later. In this case, the latest date was [REDACTED].
6. On [REDACTED], Respondent initiated \$ [REDACTED] in TIBs 17 days late.

Assessment of Sanction

1. Failure to provide income benefits in a timely and cost-effective manner is harmful to injured employees and the Texas workers' compensation system.
2. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with electronic data interchange requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and

- evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
3. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating:
 - a. Respondent's delivery of \$ [REDACTED] in TIBs 17 days late is serious;
 - b. Respondent's disciplinary history includes two consent orders involving TIBs violations within the last five years;
 - c. A penalty is necessary to deter future violations; and
 - d. Evidence shows Respondent's heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
 4. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be mitigating: Respondent has provided one-on-one training on a continuous basis to ensure that the relevant adjuster does not make similar payment errors in the future.
 5. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
 6. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
