

**SUBCHAPTER B. RETURN TO WORK.
28 TAC §137.10.**

§137.10. Return to Work Guidelines.

(a) Insurance carriers, health care providers, and employers must ~~[shall]~~ use the disability duration values in the current edition of the Official Disability Guidelines published by Milliman Care Guidelines Health at www.mcg.com/odg (ODG by MCG, referred to in this title as Division return to work guidelines) [~~The Medical Disability Advisor, Workplace Guidelines for Disability Duration, excluding all sections and tables relating to rehabilitation, (MDA), published by the Reed Group, Ltd. (Division return to work guidelines)~~], as guidelines for the evaluation of expected or average return to work time frames.

(b) Information on how to obtain or inspect copies of the Division return to work guidelines may be found on the Division's website:
www.tdi.texas.gov/wc/ [~~www.tdi.state.tx.us~~].

(c) (No change.)

(d) (No change.)

(e) (No change.)

(f) (No change.)

(g) This section is effective on or after October 1, 2026 [~~May 1, 2007~~].
