²Loss cost multipliers only used with the loss costs.

³Rate filing requirements are specified in the Property and Casualty Filings Made Easy Guide at: <http://www.tdi.texas.gov/pubs/pc/rspceasy.html>. Insurers may provide the required information using the transmittal form and filing exhibits in the Filings Made Easy Guide, or in their own forms and formats. Rate filings must include a transmittal form, supplementary rating information, and pertinent supporting information for proposed changes in an insurer's deviation, loss cost multiplier, or other rating factors.
