**General remarks and official action taken:**

This is a consent order with Protector Insurance, LLC (Protector), Marissa Barrientos (Barrientos), Denice Lizeth Rodriguez (Rodriguez), Knight Insurance Agency Solutions, LLC

(Knight), and Claudia Lizeth Pecero (Pecero), (collectively Respondents). The department alleges that after the commissioner of insurance revoked the licenses of Barrientos, Rodriguez, and Protector, that Barrientos and Rodriguez rebranded Protector as Knight and continued to engage in the business of insurance. The department alleges that Pecero, the current owner of Knight, failed to obtain the required agency license after purchasing the agency in January 2019.

### **Waiver**

Respondents acknowledge that the Texas Insurance Code and other applicable law provide certain rights. Respondents waive all of these rights, and any other applicable procedural rights, in consideration of the entry of this consent order.

Pursuant to TEX. INS. CODE § 82.055(b), Respondents do not admit to a violation of any provision of the Texas Insurance Code or a rule of the department. Respondents further maintain that the existence of a violation is in dispute. However, for the purposes of settlement, Respondents have agreed to this order.

### **Findings of Fact**

#### Licensing History

1. Rodriguez, individual identification number 830671, held a limited lines agent license originally issued by the department on September 7, 2010.
2. Barrientos, individual identification number 832938, held a limited lines agent license originally issued by the department on January 11, 2011.
3. Protector, firm identification number 77327, held a limited lines agency license originally issued by the department on June 5, 2013.
4. On December 14, 2018, the commissioner issued Order No. 2018-5778 revoking the licenses of Protector, Barrientos, and Rodriguez. The order became final on February 5, 2019.
5. Protector, Barrientos, and Rodriguez exercised their right to an appeal of the commissioner's Order revoking their license but later moved to dismiss the appeal. The Court granted the request and dismissed the case with prejudice on August 21, 2019.

6. Pecero, individual identification number 1514237, holds a limited lines agent license, issued by the department on August 3, 2016. Pecero also holds a general lines agent license with a property and casualty qualification issued by the department on January 15, 2018.
7. Pecero has operated an unlicensed agency, Knight, since January 2019.

Protector, Barrientos, and Rodriguez

Failure to Come Into Compliance

8. Barrientos and Rodriguez rebranded Protector as Knight and continued to engage in the business of insurance from approximately February 5, 2019, until on or about May 8, 2019, despite the February 2019 order revoking their insurance licenses.
9. On February 21, 2019, department investigators located a website and social media pages purportedly belonging to Knight but containing the same addresses and contact information as Protector. The website referred to Barrientos and Rodriguez as the "founders" of Knight and contained photos of Barrientos and Rodriguez. The content of the website was substantially and substantively the same as the content contained on the Protector website, but with the name Protector replaced with the name Knight.
10. On February 21, 2019, department investigators also found the website belonging to Protector was still fully functional and advertising the sale of insurance, despite the revocation of Protector's license.
11. Barrientos and Rodriguez continued to advertise and operate Protector through its website after the revocation of their licenses and according to Knight's website, they founded a "new" agency. This "new" agency contained the exact same logo used by Protector. Barrientos and Rodriguez simply renamed Protector as Knight.
12. On February 26, 2019, the department notified Protector, Barrientos, and Rodriguez, through their attorney, that the department was aware that Protector, Barrientos, and Rodriguez were continuing to engage in the business of insurance despite the commissioner's order revoking their licenses.

13. On February 27, 2019, Respondents' attorney stated that they were apologetic for "any misunderstanding which may have been created by their efforts to transition out of the business of insurance."

#### Sale of Protector

14. On March 1, 2019, Respondents' counsel informed the department that the assets of Protector had been sold on January 12, 2019.
15. Respondents' counsel provided the department with a copy of a letter from Pecero to Barrientos and Rodriguez, detailing the proposed purchase of certain assets of Protector and an Asset Purchase Agreement detailing the final sale of Protector for \$1,000,000, effective January 12, 2019.
16. Approximately March 2019, the photos of Barrientos and Rodriguez were removed from Knight's website.
17. On July 12, 2019, Pecero made the first installment payment to Barrientos and Rodriguez for the purchase of Protector. Pecero paid \$8,325.00 to Barrientos and Rodriguez, individually. On or about August 13, 2019, Pecero made an additional installment payment of \$16,650 to Barrientos and Rodriguez, collectively. On or about September 12, 2019, and October 12, 2019, Pecero made additional installment payments of \$16,650 to Barrientos and Rodriguez, collectively.

#### Knight and Pecero

#### Unauthorized Insurance Activity

18. On March 12, 2019, department investigators visited four Knight office locations. Each location had signage with the name "Knight Insurance" displayed.
19. Department investigators contacted a Knight office location in Harlingen, Texas. An employee answered the phone "Knight Insurance" and requested a VIN number to provide an insurance quote.
20. Department investigators visited a Knight office location in San Benito, Texas. An employee provided an insurance quote and stated the agency was formerly called "Protector Insurance" but recently went through a change in ownership.

21. Department investigators visited the main office location of Knight in Brownsville, Texas. Knight staff informed investigators that Barrientos and Rodriguez no longer worked there and that agency employees had been informed of the change in ownership in early March.
22. Department investigators spoke with the new owner, Pecero, and informed her that Knight was not licensed. Pecero admitted, and confirmed the department's investigation, that Knight was operating and engaging in the business of insurance without a license. Pecero stated that her attorney was assisting her in acquiring the appropriate license.
23. Pecero continued to operate Knight Insurance without holding a license issued by the department. As such, she aided Protector, Barrientos, Rodriguez, and Knight in engaging in the business of insurance without a license.

#### Assumed Name and Agency License Applications

24. On March 8, 2019, Pecero submitted an LDTL Registration Form to the department to register the assumed name of Knight Insurance Agency Solutions.
25. On March 15, 2019, Pecero submitted an LDTL Registration Form to the department to register the assumed name of Knight Insurance Solutions.
26. On April 25, 2019, Pecero submitted an application to the department for a general lines agency license with a property and casualty qualification for Knight Insurance Agency Solutions, LLC.
27. On June 4, 2019, the department proposed to deny the agency license application for Knight Insurance Agency Solutions, LLC. Knight appealed that decision and made a written request for a hearing.
