

Fire safety is for everyone.

Be sure your smoke alarm is working properly.

When cooking, stay in the kitchen and keep an eye on the stove.

Take note of the entrance and an alternate exit wherever you live, work, and play.

If there's a fire—get out and stay out. Never go back into a burning home.

In 2012, a fire occurred every seven minutes. Be prepared.

Practice fire safety every day.

The fire problem in the state is an ongoing and continuous battle for the fire service and the public alike. We rely on the fire service to fight fires once they occur; however, the prevention of fires is up to all of us...
