Fireworks Online Application Supplement

- If you store fireworks in Texas, complete Part I.
- If you are a pyrotechnic operator applicant, complete Part II.
- If you are applying for an agricultural, industrial, or wildlife control permit, complete Part III.

Applicant information

First name	Middle name	Last name	Suffix
------------	-------------	-----------	--------

Company information

Company name

Part I – for fireworks storage in Texas

For the fireworks you have stored, please indicate the:

- Classification – either 1.3G or 1.4G.
- Location - the address where the fireworks are stored. If there is no specific address, describe the exact location.
- Estimated weight – the estimated **maximum** gross and net weight of fireworks stored during the year.
 - The net weight is the weight of all pyrotechnic and explosive compositions and fuses only.

Classification	Location Street address, city, and state	Estimated Weight	
		Gross	Net

Part II – for pyrotechnic operator applications

- Not for special effects or flame effects.
- List five permitted or licensed 1.3G fireworks displays that you assisted in conducting in Texas that were under the direct supervision of a pyrotechnic operator licensee in Texas.
- Verify the pyrotechnic operator by providing their signature below or by another form of written confirmation.

Public Fireworks Display Experience				
City	Date	Pyrotechnic Operator Information		
		Name	License No.	Signature

Part III – for agricultural, industrial, or wildlife control permit applications

1. Describe the type of fireworks you will using.

2. Indicate the specific purpose for which the fireworks will be used.

3. Specify the location where the fireworks will be used.

4. Your permit must be available for inspection. Specify where the permit will be kept. Include a physical address if available.

5. Provide the name and license number of the licensed distributor supplying the fireworks.
