**FINAL ACCOUNTING AND APPLICATION TO TERMINATE
NATIONAL PREARRANGED SERVICES, INC. RECEIVERSHIP
AND DISCHARGE RECEIVER AND SPECIAL DEPUTY RECEIVER**

TO THE HONORABLE JUDGE OF THIS COURT

JO ANN HOWARD & ASSOCIATES, P.C., Special Deputy Receiver of National Prearranged Services, Inc. (the “SDR” and “NPS,” respectively) files this *Final Accounting and Application to Terminate National Prearranged Services, Inc. Receivership and Discharge Receiver and Special Deputy Receiver* (the “Application”).

I. INTRODUCTION

1.1 The SDR would show that the delinquency proceeding against NPS should be concluded. On June 6, 2025, this Court entered its *Order Granting Final Report and Application to Make Final Distribution for National Prearranged Services, Inc* (“Final Distribution Order”). The SDR has completed the distribution of assets in accordance with the Final Distribution Order and submits its final accounting. The SDR requests that the Court terminate this receivership proceeding and discharge the Texas Commissioner of Insurance (“Commissioner”) as Receiver of NPS and JO ANN HOWARD & ASSOCIATES, P.C., as the SDR of NPS.

II. AUTHORITY

2.1 Statutory Authority

This Application is filed pursuant to § 443.352, which provides for the termination of the receivership proceeding after all asset collection and distribution activities have been completed. Unless otherwise indicated, all statutory references herein are to the Texas Insurance Code. The SDR is authorized to file this Application pursuant to § 443.154 (a).

2.2 Reference to Master

The subject matter of the Application has been referred to the Special Master appointed in this proceeding in accordance with the *Amended Order of Reference to Master* appointing Tom Collins as Special Master in this proceeding on October 24, 2008.

III. FINAL FINANCIAL STATEMENTS

3.1 Final Financial Reports

Section 443.016 requires the SDR to periodically file a statement of assets and liabilities, changes in assets and liabilities, and funds received or disbursed during the period. Exhibits 1 (Statement of Net Assets) and 2 (Statement of Net Liabilities), attached hereto and incorporated by reference, reflect the financial condition of the receivership estate as of March 18, 2026. The consolidated Cash Sources and Uses Statement, attached as Exhibit 3 and incorporated by reference, lists all funds received and disbursed or expected to be disbursed from the receivership estate from the date of receivership through the closing of the estate. The Disposition of Assets Schedule as of March 18, 2026, for the receivership is attached as Exhibit 4.

3.2 Exhibits 1 through 4 are the final financial reports for the NPS receivership in accordance with § 443.016.

IV. EXPENSES

4.1 The Final Distribution Order approved an Expense Reserve of \$503,708 for the payment of estimated expenses from April 1, 2025, through the termination of the receivership. The actual fees of the SDR and subcontractors and expenses were \$645,289, resulting in an increase of \$141,581. The increase in costs is largely due to the volume of uncashed distribution checks, a higher than anticipated number of calls and emails relating to the checks and the costs of the supplemental distribution. The additional expenses were funded from the interest that accrued on estate funds in the NPS Texas Treasury Litigation Recovery account between the time the original amount to be distributed was calculated and the date the funds were transferred to be paid out. As of March 18, 2026, after all of the distributions and the payment of expenses, there is approximately \$3,952 remaining, which are “Residual Funds” as defined in the Final Distribution Order. Attached as “Exhibit 5” is the Supplemental Closing Expenses submitted pursuant to § 443.015.

4.2 The SDR anticipates that the estate may earn or collect additional modest amounts through interest or other means after the filing of this application. Such funds will also be Residual Funds.

4.3 The SDR determined that the Residual Funds should be transferred to the Commissioner for deposit in an account established under 443.304 (c). The SDR transferred \$3,952 to the Commissioner as Residual Funds.

V. DISTRIBUTIONS

5.1 The SDR paid approximately eighty-two percent (82%) of the Class 5 claims approved in the Final Distribution Order.

5.2 After the Distribution Order was entered, the SDR discovered that the estate had failed to make a distribution on Proof of Claim No. 15929 (the “POC”) filed by a funeral home.

The SDR initially determined the POC as an allowed claim and so notified the funeral home claimant, which did not object. The SDR later reported the determination on a report of claims, however incorrectly applied a setoff resulting in a disallowance of the entire claim because the SDR misunderstood the ownership of the funeral home claimant. The SDR did not specifically notify the claimant of that setoff and reported disallowance. Upon discovery of the error, the SDR made a distribution of \$416.43 on the POC, the amount of the pro rata distribution to which the funeral home claimant was entitled, from Expense Reserve funds. The SDR would show this distribution to the funeral home payment was within its authority under the Distribution Order, as the funeral home claimant received the distribution to which it was entitled from the SDR's initial determination.

5.3 After the distribution was completed, the SDR determined that the estate held additional funds primarily arising from two sources. First, \$27,033 accrued in an account at the Texas Treasury that formerly held post-liquidation payments made by orphan preneed contract holders. Pursuant to this Court's order of June 1, 2010, interest accrued on all such payments up until the end of the month that the preneed contract was terminated. The SDR terminated all remaining living orphan preneed contracts in 2024 and has returned all post-liquidation payments, plus interest as calculated by the June 1, 2010 order, to the living orphan consumers, their next of kins or their state's abandoned property funds. The \$27,033 accrued after the end of the month that the contracts were terminated and the date the money was paid or transferred. The second source of additional funds was the interest that accrued on the estate's Texas Treasury Litigation Recovery account between the time the original amount to be distributed was calculated and the date the funds were transferred to the SDR to be distributed. These additional funds were general assets as defined in section 443.004(a)(9).

5.4 The Final Distribution Order provided that, if it is economically feasible to distribute Residual Funds to Class 5 claimants, the SDR shall make a supplemental distribution from any such residual funds, after reserving distribution expenses. It was determined that it was economically feasible to make a second distribution. The SDR distributed \$51,372.05 to 217 claimants by year end 2025. The supplemental distribution was subject to the \$25 *de minimis* distribution threshold approved by the Court.

VI. UNCLAIMED FUNDS

6.1 1,315 checks totaling \$907,945 were distributed but have not yet been claimed as of the date of this filing. Those checks were sent by first class mail to the last known address reflected in the SDR's records. The estate did not make a distribution on 1,116 approved claims totaling \$749,910 because the SDR was unable to obtain a current address. The Unclaimed Funds totaling \$1,657,856 are identified in the attached Exhibit 6. Pursuant to the Final Distribution Order, all Unclaimed Funds were transferred to the Commissioner for deposit in a segregated unclaimed funds account as required under § 443.304(a).

VII. FEDERAL INCOME TAX RETURNS

7.1 The SDR has filed the final federal income tax return for 2025 and will file the 2026 return in the near future, before its discharge by this court. No income taxes are owed by the estate. The SDR requests that the Court authorize it or its designated representative to sign any final tax documents and closing documents and otherwise communicate with the Internal Revenue Service after the termination of this proceeding.

VIII. TRANSFERS

8.1 The Final Distribution Order authorized the SDR to transfer all unknown assets of NPS to the Commissioner. The SDR has executed the Assignment to the Commissioner using the form approved in the Final Distribution Order. There are no known unliquidated assets. The SDR

requests that, in the event any assigned assets are collected and liquidated, and such amount is sufficient in the Commissioner's discretion to economically justify a distribution, this proceeding be reopened under § 443.353. If such amount is not sufficient in the Commissioner's discretion to economically justify a distribution, the SDR requests that any such funds be deposited in an account established by the Commissioner in accordance with § 443.304(c).

IX. RECORDS

9.1 Records that may be required after the termination of this proceeding will be delivered to the Commissioner pursuant to § 443.354(b) and maintained in compliance with the Receiver's records retention policy for receivership records after the entry of the Order granting the Application. The SDR requests that the Court authorize the Commissioner to retain or dispose of these records at her discretion. All other records of the estate have been destroyed or transferred to NOLHGA or the Affected IGAs.

X. CERTIFICATION OF ACTIVITIES

10.1 The SDR certifies that all activities necessary to conclude this proceeding have been performed along with the final accounting of all funds in the estate.

XI. TERMINATION AND DISCHARGE

11.1 The SDR requests that this Court issue an order dissolving the charter for NPS, terminating this delinquency proceeding and discharging the Receiver and SDR.

XII. OFFER OF PROOF

12.1 This Application is verified by the affidavit and certification pursuant to § 443.017(b) by Jo Ann Howard, President of Jo Ann Howard & Associates, P.C., solely in its capacity as SDR of NPS.

XIII. NOTICE

13.1 In accordance with § 443.007(d) and the *Order of Reference*, the SDR served this Application at least 14 days before the submission date of this Application on (i) parties that filed an appearance in this proceeding and (ii) other parties as determined by the SDR as shown on the Certificate of Service.

9. The SDR or its designated agent may sign any final tax documents and closing documents and otherwise communicate with the Internal Revenue Service after the termination of this proceeding;
10. Ordering that, in the event that any assigned assets are collected and liquidated, and such amount is sufficient in the Commissioner's discretion to economically justify

a distribution, the Commissioner is authorized to move to reopen this proceeding under § 443.353 and, if such amount is not sufficient in the Commissioner's discretion to economically justify a distribution, that any such funds be deposited in an account established by the Commissioner in accordance with § 443.304(c);

11. Approving the transfer of title to records as described in the Application and authorizing the Commissioner to retain or dispose of the receivership records at her discretion;
