Background

[Texas Government Code 423.008](#) requires state law enforcement agencies that use or operate an unmanned aircraft to submit a report to the governor, the lieutenant governor, and each legislative member by January 15 of odd-numbered years.

The Texas State Fire Marshal's Office (SFMO) is authorized by the Federal Aviation Administration (FAA) to operate small, unmanned aircraft systems (sUAS) to help with:

- Fire, explosion, and natural disaster investigations.
- Building inspections.
- Training and education.
- Helping other agencies.
- Joint operations and investigations.

SFMO uses sUAS to document fire scenes with aerial photographs. sUAS are not used to collect evidence or search for suspects.

SFMO doesn't collect any information on individuals, residences, property, or areas not covered by our consent to search or search warrant.

sUAS expense and flight overview

SFMO has 15 drones, with 14 used in the field and one reserved as a spare. The cost to maintain, repair, and operate the aircraft for 2023-24 was \$44,048.

sUAS expenses

Item	Per item cost	Quantity	Total cost
DroneSense two-year license	\$ 2,800	14	\$ 39,200
DroneTag beacon	219	14	3,066
Replacement batteries	219	5	1,095
Replacement propellers	18	12	216
FAA three-year registration	5	15	75
Remote Pilot 101 training	99	4	396
Total			\$ 44,048

sUAS flights by type

Year	Fire investigation	Help outside agencies	Joint operation/ investigation	sUAS maintenance	Training flights	Total flights
2023	158	9	-	3	24	194
2024	168	10	-	6	66	250
Total	326	19	-	9	90	444

sUAS flight hours by type

Year	Fire investigation	Help outside agencies	Joint operation/ investigation	sUAS maintenance	Training flights	Total flight hours
2023	13.36	1.35	-	0.27	1.76	16.74
2024	16.11	1.22	-	0.66	5.85	23.84
Total	29.47	2.57	-	0.93	7.61	40.58
