Re: TAIPA Plan of Operation Amendments

Dear Commissioner Brown:

Under Chapter 2151 of the Insurance Code, the Governing Committee of the Texas Automobile Insurance Plan Association (TAIPA) has the responsibility for the administration of the Association through its Plan of Operation. The Governing Committee is empowered to adopt and amend the Plan of Operation subject to the approval of the Commissioner.

At its meeting on August 1, 2025, the Governing Committee approved amendments to Plan of Operation that are reflected in the Plan of Operation filed with this letter. This has been a several months' project in which we have worked with your staff, and to whom we would like to extend our thanks. Several of the changes to the Plan were initiated by them.

We have also included a comparison document that shows the amendments to the existing Plan.

We ask that you approve TAIPA's requested amendments. Should additional information be required we will be happy to furnish it.

Thank you.

Very truly yours,

Michael W. Jones
