

# We are here for you.

The Texas Division of Workers' Compensation (DWC) can help if you are hurt or get sick at work. This includes mental trauma injuries from a work-related event.

## Are you a...

first responder?

medical personnel?

other affected employee?

**We help injured employees with their workers' compensation claims.**

## You may need help with:

- Filing a claim for medical or income benefits.
- Reporting your claim to your employer.
- Filling out forms.
- Finding a doctor who can treat you.
- Knowing what to do if your claim is denied.

If you are a family member of an employee who died on the job, you may be able to get death and burial benefits.

## Claim questions:
