Assessment of Sanction

1. Failure to provide income benefits in a timely and cost-effective manner is harmful to injured employees and the Texas workers' compensation system.
2. Prompt payment of medical bills is imperative to DWC's goal of ensuring that injured employees have access to prompt, high-quality medical care. Failure to promptly pay medical bills harms medical providers economically, increases disputes and exhausts administrative resources in the workers' compensation system. It is a serious violation to fail to timely act on a medical bill involving DD services, which do not require preauthorization, and which serve an essential function in the Texas workers' compensation system. Untimely payment can have a chilling effect on a DD's participation in the system.
3. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with electronic data interchange requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
4. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating: the seriousness of the violation, including the

nature, circumstances, consequences, extent, and gravity of the prohibited act; the history and extent of previous administrative violations; the penalty necessary to deter future violations; whether the administrative violation had a negative impact on the delivery of benefits to an injured employee; and other matters that justice may require, including but not limited to evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules. Specifically, the late medical bill payments in File No. 33374 and 33730 were 51 and 18 days late and involved DD services, which do not require preauthorization and are essential to the Texas workers' compensation system.

5. DWC is aware of no mitigating factors pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
5. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
6. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).

Conclusions of Law

1. The commissioner has jurisdiction over this matter pursuant to Tex. Lab. Code §§ 402.001, 402.00111, 402.00114, 402.00116, 402.00128, 414.002, and 414.003.

3. Respondent has knowingly and voluntarily waived all procedural rights to which it may have been entitled regarding the entry of this order, including, but not limited to, issuance and service of notice of intent to institute disciplinary action, notice of hearing, a public hearing, a proposal for decision, a rehearing by the commissioner, and judicial review.

4. Pursuant to Tex. Lab. Code § 415.021, the commissioner may assess an administrative penalty against a person who commits an administrative violation.
6. Pursuant to Tex. Lab. Code §§ 415.002(a)(20) and (22), an insurance carrier or its representative commits an administrative violation each time it fails to comply with a DWC rule or a provision of the Texas Workers' Compensation Act.

Failure to Timely Act on a Medical Bill

8. Pursuant to Tex. Lab. Code § 408.027 and 28 Tex. Admin. Code § 133.240, an insurance carrier is required to timely process and take final action on a completed medical bill within 45 days of receiving the bill.
9. Respondent violated Tex. Lab. Code §§ 408.027; 415.002(a)(20) and (22); and 28 Tex. Admin. Code § 133.240 by failing to pay, reduce, deny, or determine to audit a completed medical bill within 45 days of receiving the bill.

Failure to Timely Pay Interest on a Late Medical Bill Payment

10. Pursuant to 28 Tex. Admin. Code § 133.240(l) all payments of medical bills that an insurance carrier makes on or after the 60th day after the date the insurance carrier originally received the complete medical bill shall include interest calculated in accordance with § 134.130 of this title without any action taken by the division. The interest payment shall be paid at the same time as the medical bill payment.
11. Respondent violated Tex. Lab. Code § 415.002(a)(22), and 28 Tex. Admin. Code § 133.240(l) by failing to timely pay interest on a late medical bill payment.

Failure to Timely Initiate Payment of Accrued Temporary Income Benefits

12. Pursuant to Tex. Lab. Code §§ 408.081, 408.082, and 409.021 and 28 Tex. Admin. Code §§ 124.3 and 124.7, an insurance carrier is required to initiate payment of TIBs no later than the 15th day after it receives written notice of the injury or the seventh

day after the accrual date, unless the insurance carrier notifies DWC and the injured employee in writing of its refusal to pay.

13. Respondent violated Tex. Lab. Code §§ 408.081, 415.002(a)(16), (20) and (22), and 28 Tex. Admin. Code §§ 124.3 and 124.7 each time Respondent failed to timely initiate payment of TIBs.
