

No. **2025-9268**

**Official Order  
of the  
Texas Commissioner of Workers' Compensation**

**Date: 4/22/2025**

**Subject Considered:**

Ace American Insurance Company  
436 Walnut Street  
Philadelphia, Pennsylvania 19106-3703

Consent Order  
DWC Enforcement File No. 35733

**General remarks and official action taken:**

This is a consent order with Ace American Insurance Company (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

**Waiver**

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

**Findings of Fact**

1. Respondent holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to Tex. Ins. Code §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.
2. Respondent was classified as "average" tier in the 2020, 2022, and 2024 Performance Based Oversight (PBO) assessments.

Failure to Timely Act on a Medical Bill

3. From [REDACTED], to [REDACTED], a health care provider provided medical services to an injured employee.
4. On [REDACTED], Respondent received a completed medical bill for \$ [REDACTED] from the health care provider for the medical services provided between [REDACTED] and [REDACTED].
5. Respondent was required to act on the bill within 45 days of receiving it. The deadline to act was [REDACTED].
6. On [REDACTED], Respondent paid \$ [REDACTED] for the bill 20 days late.
7. On [REDACTED], Respondent paid \$ [REDACTED] in interest 22 days late.

**Assessment of Sanction**

1. Prompt payment of medical bills is imperative to DWC's goal of ensuring that injured employees have access to prompt, high-quality medical care. Failure to promptly pay medical bills harms medical providers economically, increases disputes and exhausts administrative resources in the workers' compensation system.
2. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
  - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
  - the history and extent of previous administrative violations;
  - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
  - the penalty necessary to deter future violations;
  - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
  - the history of compliance with electronic data interchange requirements;
  - the economic benefit resulting from the prohibited act; and
  - other matters that justice may require, including, but not limited to:
    - PBO assessments;
    - prompt and earnest actions to prevent future violations;

- self-report of the violation;
  - the size of the company or practice;
  - the effect of a sanction on the availability of health care; and
  - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
3. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating:
- a. The violations are serious because of the amount at issue, the lateness of the payment, and the negative effect the late payment had on a health care provider operating in a medically underserved area;
  - b. Respondent has prior disciplinary history, including 30 consent orders involving late action on a medical bill within the last three years;
  - c. A penalty is necessary to deter future violations since Respondent presents a high risk of future violations;
  - d. Respondent has a history of not complying with EDI requirements, including two recent consent orders involving EDI non-compliance; and
  - e. Other matters that justice may require, including Respondent's size and heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
4. DWC considered the following mitigating factor pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e): Respondent's actions to prevent future violations, including committing to conducting training on medical bill processing in April 2025.
5. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
6. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).

Code § 133.240(l) all payments of medical bills that an insurance carrier makes on or after the 60th day after the date the insurance carrier originally received the complete medical bill shall include interest calculated in accordance with § 134.130 of this title without any action taken by the division. The interest payment shall be paid at the same time as the medical bill payment.
10. Respondent violated Tex. Lab. Code § 415.002(a)(20), and 28 Tex. Admin. Code § 133.240(l) by failing to timely pay interest on a late medical bill payment.
