of the
Texas Commissioner of Workers' Compensation**

Date: 10/3/2025

Subject Considered:

Space Exploration Technologies Corporation
1 Rocket Road
Hawthorne, California 90250-6844

Consent Order
DWC Enforcement File No. 37440

General remarks and official action taken:

This is a consent order with Space Exploration Technologies Corporation (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

Waiver

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Respondent is a certified, self-insured, employer that provides workers' compensation benefits to its employees in accordance with Tex. Lab. Code Ch. 407.
2. Respondent was not selected to be tiered in the 2020, 2022, or 2024 Performance Based Oversight (PBO) assessments.

Failure to Timely Act on a Medical Bill

3. On [REDACTED], a designated doctor (DD) provided services to an injured employee.
4. On [REDACTED], Respondent received the DD's completed medical bill for \$ [REDACTED].
5. Respondent was required to act on the bill within 45 days of receiving it, or by [REDACTED].
6. On [REDACTED], Respondent paid the \$ [REDACTED] medical bill 440 days late.
7. On [REDACTED], Respondent paid interest 18 days late.

Assessment of Sanction

1. Prompt payment of medical bills is imperative to DWC's goal of ensuring that injured employees have access to prompt, high-quality medical care. Failure to promptly pay medical bills harms medical providers economically, increases disputes and exhausts administrative resources in the workers' compensation system. It is a serious violation to fail to timely act on a medical bill involving DD services, which do not require preauthorization and which serve an essential function in the Texas workers' compensation system. Untimely payment can have a chilling effect on a DD's participation in the system.
2. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with electronic data interchange requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:

Texas Labor Code §§402.083 and 402.092

- PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
3. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating:
 - a. the violation is serious, involving payment 440 days late for essential DD services, which do not require preauthorization;
 - b. a penalty is necessary to deter future violations; and
 - c. the violation negatively impacted the delivery of medical benefits to an injured employee.
 4. DWC is aware of no mitigating factors pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
 5. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
 6. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).

4. Pursuant to Tex. Lab. Code § 415.021, the commissioner may assess an administrative penalty against a person who commits an administrative violation.
5. Pursuant to Tex. Lab. Code § 415.002(a)(20), an insurance carrier or its representative commits an administrative violation each time it violates a DWC rule.

The interest payment shall be paid at the same time as the medical bill payment.
10. Respondent violated Tex. Lab. Code §§ 413.019(a); 415.002(a)(20) and (22); and 28 Tex. Admin. Code § 133.240(l) by failing to timely pay interest.
