

No. **2026-9784**

**Official Order
of the
Texas Commissioner of Workers' Compensation**

Date: 2/6/2026

Subject Considered:

AIU Insurance Company
PO Box 201329
Austin, Texas 78720-1329

Consent Order
DWC Enforcement File No. 37641

General remarks and official action taken:

This is a consent order with AIU Insurance Company (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

Waiver

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Respondent holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to Tex. Ins. Code §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.
2. Respondent was classified as "average" tier in the 2024 and 2022 Performance Based Oversight (PBO) assessments. Respondent was not selected to be tiered in the 2020 PBO assessment.

Failure to Timely Act on a Request for Reconsideration of a Medical Bill

3. On [REDACTED], Respondent received a request for reconsideration of a \$36,165.33 medical bill from a health care provider for medical services rendered to an injured employee on [REDACTED].
4. Respondent was required to take action on the request for reconsideration not later than the 30th day after receipt of the request, or by [REDACTED].
5. On [REDACTED], Respondent acted on the request by paying \$12,318.78 for the medical bill, 31 days late.

Assessment of Sanction

1. Prompt payment of medical bills is imperative to DWC's goal of ensuring that injured employees have access to prompt, high-quality medical care. Failure to promptly pay medical bills and timely act on requests for reconsideration harms medical providers economically, increases disputes and exhausts administrative resources in the workers' compensation system.
2. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with electronic data interchange requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;

- the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
- 3. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating:
 - a. the violation is serious, involving a large medical bill from a health care provider operating in a medically underserved area and \$12,318.78 in medical benefits paid 31 days late;
 - b. Respondent has a history of similar administrative violations, including 19 consent orders and eight warning letters involving late medical benefits;
 - c. a penalty is necessary to deter future violations; and
 - d. Respondent is the 20th largest workers' compensation insurance carrier in Texas and has heightened awareness of its legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
- 4. DWC is aware of no mitigating factors pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
- 5. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
- 6. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).

1. The commissioner has jurisdiction over this matter pursuant to Tex. Lab. Code §§ 402.001, 402.00111, 402.00114, 402.00116, 402.00128, 414.002, and 414.003.

3. Respondent has knowingly and voluntarily waived all procedural rights to which it may have been entitled regarding the entry of this order, including, but not limited to, issuance and service of notice of intent to institute disciplinary action, notice of hearing, a public hearing, a proposal for decision, a rehearing by the commissioner, and judicial review.
4. Pursuant to Tex. Lab. Code § 415.021, the commissioner may assess an administrative penalty against a person who commits an administrative violation.
5. Pursuant to Tex. Lab. Code § 415.002(a)(20), an insurance carrier or its representative commits an administrative violation each time it violates a DWC rule.
6. Pursuant to 28 Tex. Admin. Code § 133.250(g), an insurance carrier shall take final action after receipt of a request for reconsideration of a medical bill not later than the 30th day after the date the insurance carrier receive the request.
7. Respondent violated Tex. Lab. Code § 415.002(a)(20) and 28 Tex. Admin. Code § 133.250(g) by failing to timely act on the request for reconsideration within 30 days of receipt of the request.
