

No. **2026-9965**

**Official Order
of the
Texas Commissioner of Workers' Compensation**

Date: 6/10/2026

Subject Considered:

New Hampshire Insurance Company
175 Water Street, Floor 18
New York, New York 10038

Consent Order
DWC Enforcement File No. 38800

General remarks and official action taken:

This is a consent order with New Hampshire Insurance Company (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

Waiver

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Respondent holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to Tex. Ins. Code §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.
2. Respondent was classified as "average" tier in the 2024, 2022, and 2020 Performance Based Oversight (PBO) assessments.

Failure to Timely Act on a Medical Bill

3. On April 21, 2025, a health care provider provided medical services to an injured employee.
4. On May 19, 2025, Respondent received a completed medical bill for \$665.75 from the health care provider.
5. Respondent was required to act on the bill within 45 days of receiving it. The deadline to act was July 3, 2025.
6. On Feb. 18, 2026, Respondent issued an explanation of benefits denying the bill 230 days late.

Assessment of Sanction

1. Prompt payment of medical bills is imperative to DWC's goal of ensuring that injured employees have access to prompt, high-quality medical care. Failure to promptly pay medical bills harms medical providers economically, increases disputes and exhausts administrative resources in the workers' compensation system.
2. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with electronic data interchange requirements;
 - the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;

- the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
- 3. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating:
 - a. the seriousness of the violation, including action taken on a medical bill 230 days late;
 - b. Respondent's history of similar administrative violations, including nine consent orders and 13 warning letters involving late medical benefits;
 - c. the penalty necessary to deter future violations; and
 - d. Respondent had the 10th highest number of violations in fiscal year 2025, which demonstrates a heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
- 4. DWC is aware of no mitigating factors pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
- 5. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
- 6. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).

Conclusions of Law

- 1. The commissioner has jurisdiction over this matter pursuant to Tex. Lab. Code §§ 402.001, 402.00111, 402.00114, 402.00116, 402.00128, 414.002, and 414.003.
- 2. The commissioner has the authority to dispose of this case informally pursuant to Tex. Gov't Code § 2001.056, Tex. Lab. Code §§ 401.021 and 402.00128(b)(6)-(7), and 28 Tex. Admin. Code § 180.26(h) and (i).
- 3. Respondent has knowingly and voluntarily waived all procedural rights to which it may have been entitled regarding the entry of this order, including, but not limited

to, issuance and service of notice of intent to institute disciplinary action, notice of hearing, a public hearing, a proposal for decision, a rehearing by the commissioner, and judicial review.

4. Pursuant to Tex. Lab. Code § 415.021, the commissioner may assess an administrative penalty against a person who commits an administrative violation.
5. Pursuant to Tex. Lab. Code § 415.002(a)(20), an insurance carrier or its representative commits an administrative violation each time it violates a DWC rule.
6. Pursuant to Tex. Lab. Code § 415.002(a)(22), an insurance carrier or its representative commits an administrative violation each time it fails to comply with a provision of the Texas Workers' Compensation Act.
7. Pursuant to Tex. Lab. Code § 408.027 and 28 Tex. Admin. Code § 133.240, an insurance carrier is required to timely process and take final action on a completed medical bill within 45 days of receiving the bill.
8. Respondent violated Tex. Lab. Code §§ 408.027; 415.002(a)(20) and (22); and 28 Tex. Admin. Code § 133.240 by failing to take final action on a completed medical bill within 45 days of receiving the bill.
