- 2) The policy edition date at the bottom of the first page of the policy jacket will be revised to reflect an effective date of October 1, 2012.

Attached to this cover letter is a Property and Casualty Filing Transmittal Form, an explanatory memorandum, and the amended Dwelling Policy form.

We look forward to the commissioner’s approval of the proposed submission. If you or your staff have any questions or need additional information, please let me know.
